

PilotsPathway

Pathway to the skies begins here.

Where dreams take flight with world-class training, modern simulator, and top instructors.

- India's Largest Pilot Training Academy
- Mentored by Instructor with 20+ Years of Flying Experience

MRS. APSARA GEHLOT FOUNDER & DIRECTOR

A Proud Mother to a dedicated doctor and passionate mentor to budding pilots, she has 12+ years of diverse experience. She's a visionary Land Developer and an active Venture Capitalist supporting innovative startups. Deeply rooted in social causes, she works as a medical activist to improve community healthcare.

Vision: She founded PilotsPathway with a vision to guide young aviators and spark a new era in aviation mentorship. Driven by purpose and passion, she empowers the next generation to rise, lead, and soar beyond limits. To empower aspiring aviators through quality training, mentorship, and a structured roadmap from zero to airline-ready.

MEET THE MENTOR

*Senior
Commander*

**SIDDHARTH
SHARMA**

With 20 years of aviation experience and 8000+ flying hours, Captain Siddharth Sharma has a unique experience of flying with three different airlines of India, giving him an overall view of the Indian commercial aviation.

He has flown Boeing 737s and Boeing 777s. An engineer by qualification, his true passion led him to the skies. Under his mentorship, PilotsPathway is offering airline-standard training to aspiring pilots and providing real-world guidance to create confident, cockpit-ready pilots.

Your dream is our mission. With structured coursework and unwavering support, we ensure your success.

How to Become a Pilot ?

The Pathway.

**COMPLETE 10+2 WITH
PHYSICS, MATHS & ENGLISH**

Total of 200 Flying Hours

Flying Duration:- 12 to 14 months

Cost: 45 lakhs

**Total of 18 written Exams
(8 for PPL and 10 for CPL)**

Cadet Program VS Conventional Pilot Training

Aspect	Cadet Program	Conventional Route
Entry Criteria	Airline-specific exams & interviews	Open to all with 10+2 PCM and medicals
Airline Tie-up	Yes – Pre-selected by airlines (IndiGo, Air India, etc.)	No direct airline link; self-driven
Cost	₹98L – ₹1.25Cr (including type rating)	₹45L – ₹60L (type rating optional/extra)
Job Guarantee	Conditional job offer post successful completion	No job guarantee; placement depends on performance
Flexibility	Less flexible – fixed training locations & timelines	High – choice of country, FTO, pace of training
Risk Factor	Lower (if selected) but costly upfront	Higher but more control over finances and school choice
Type Rating	Included	Separate cost (₹12–30L)
Airline Preparation	Built into the program	Needs separate preparation (PilotsPathway can help!)

Which One is Better?

- If you're sure about an airline and can afford the fees, Cadet is smoother.
- If you want flexibility, cost-efficiency, and can handle interviews later, Convention

Airline Preparation Program

- 01** WRITTEN EXAM (TECHNICAL KNOWLEDGE & AIRCRAFT SYSTEM BRUSH-UP)
- 02** PSYCHOMETRIC & COMPASS TEST PREPARATION
- 03** GROUP DISCUSSION (COMMUNICATION & SOFT SKILLS ENHANCEMENT)
- 04** MOCK AIRLINE INTERVIEWS WITH REAL-TIME FEEDBACK
- 05** SIMULATOR TRAINING (IF APPLICABLE)
- 06** MEDICAL EVALUATION

- Airline Preparation Program – 3 Months
- Fee: ₹95,000
- 100% Placement Assistance after Completion

Reviews

"Clear teaching, smart visuals, and the right focus —PilotsPathway helped me crack Air Navigation confidently"

— Palvika

"Structured approach to Meteorology—especially the simplified notes and charts—made studying so much easier"

— Ritansha

"RTR seemed intimidating initially, but PilotsPathway simplified everything From RT calls to test day strategy. I passed in one go!"

— Garvit

"The Technical General subject had so many systems to understand—engines, hydraulics, pressurization. PilotsPathway's diagrams and examples made everything so much easier."

— Vikhyat

"Cleared my DGCA papers in one go!"

— Aryan S.

"Guidance till airline placement. Highly recommend."

— Meenal

"Air Navigation finally made sense thanks to PilotsPathway. Their clear visuals and simple explanations made topics easy to learn"

— Sakshi

FAQs

Is DGCA exam difficult?

It's challenging but manageable with the right guidance, an average student can clear all the 6 papers in 6-8 Months.

Can I get a loan for pilot training?

Yes, you can! Many banks and financial institutions offer education loans for pilot training—especially when you're enrolling in a DGCA pre-approved flying school. These loans are usually provided against collateral and can cover a major portion of your training expenses.

I'm from a Non-science background. What should I do?

You can apply via Open School(NIOS). We will assist you.

Are scholarships for pilot training available?

Yes, PilotsPathway provides Scholarships for Ground Classes and Flight Training based on merits

Can I apply with spectacles?

Yes, vision should be 6/6 with specs.

Will I secure a job immediately after completing my CPL?

Job placement depends on airline vacancies at the time. However, we provide 100% placement assistance to guide you on the right path and help you seize every opportunity.
